The Inspector General of Police was written to accordingly. In reply he states that the Head Station at Huliyan is still retained with the complement of Jamadar + 12 Constables and that it is undesirable to effect any reduction in the existing staff as Huliyan is an important place in matters of crime, being surrounded by Ghat passes commonly used by itinerant criminal gangs and villages which are less frequented and where large criminal gangs have settled. He adds that it is not possible to effect reduction in the Police staff of the Haddunge Taluk also. Under these circumstances, he requests that sanction be accorded to the entertainment of an Inspector as already recommended.

Subd for order. The est. is 17-000

I believe there were only Jamadars in charge of sub-taluk & so the newly constituted taluk requires an Inspector. The pay for 4 months may be possibly found by reappropriation (220 Rs). The app. has to be sanctioned after being passed through Council.

In his letter No.2918/218 dated the 27th December 1902, the Inspector General of Police requested sanction to the entertainment of an additional Police Inspector on Rs 40+15 for the newly constituted Hosdurga Taluk. In reply to this office enquiry whether the abolition of the two Sub Taluks (Huliyar and Hosdurga) did not set free some police officers and men and whether there were no ^asavings consequent on such abolition, which might be utilized towards the pay of the proposed Inspector, he states that the Head Station at Huliyar is still retained with the complement of 1 Jemadar and 12 constables; that it is undesirable to effect any reduction in the existing staff, as Huliyar is an important place in matters of crime, being surrounded by Ghat passes commonly used by itinerant criminal gangs and by villages which are less frequented and where large criminal gangs have settled and that it is not possible to effect reduction in the Police Staff of the Hosdrug Taluk also.

The additional cost involved amounts to Rs 660 per annum. The pay of the Inspector for the remaining months of the current official year, viz,

The following papers regarding the rectification of the boundaries of the said Hosdurga Taluk:—

- (1) Letter No. 790, dated 14th May 1902, from the Superintendent, Mysore Revenue Survey.

No. R. 639-79—R. F. 16-1900, DATED BANGALORE, 1st AUGUST 1902.

ORDER THEREON.—The Superintendent, Mysore Revenue Survey, in his letter read above, brought to the notice of Government that the boundaries of the newly constituted Hosdurga Taluk were irregular and inconvenient and suggested the following transfers of villages from and to the new taluk:—

(1) *From the Holalkere to the Hosdurga Taluk—*

| 1. Hebballi | 3. Kumbarghatta, and |
| 2. Herur | 4. Ailapura, |

which form one shanbhog's charge, may at once be transferred and that the transfer of the other five villages of the Holalkere Taluk would involve the breaking up of the charge of a shanbhog. As regards the villages of the Chiknayakanhalli Taluk proposed to be transferred to Hosdurga, the Deputy Commissioner of Tumkur reports that there would be some difficulty in the case of the village of Kadavagere, which with Yelanadu forms one shanbhog's charge. In other respects, the Deputy Commissioners agree with the Superintendent of Revenue Survey.

3. Upon further consideration, the Superintendent of Revenue Survey states that the five villages of, Bailahalli, Dodgatta, Mallapura, Bansihalli and Tanigekallu may be left in the Holalkere Taluk and that the village of Kadavagere in the Chiknayakanhalli Taluk may, as proposed by the Deputy Commissioner, be constituted a separate shanbhog's charge.

With a view to give the new Taluk of Hosdurga a convenient boundary, the suggestions of the Superintendent, Revenue Survey, as finally made in his D. O. letter

read above are approved and the following notification will issue directing the transfers of the villages.

Proceedings of the Government of Mysore.

READ AGAIN—

Government Proceedings Camp No. 36, dated 8th November 1882, directing the transfers of certain villages and taluks in the Chitaldrug District and reducing the Hosdurga Taluk to a Sub-Taluk.

READ—

(1) Representations made at the Dasara Assembly of 1893 and 1895 that the Hosdurga Sub-Taluk be constituted a taluk (Subject No. 171—1893 and 80—1895.)

(2) Petition No. 1789, dated 18th November 1897, from Seshachar and others praying for the establishment of Sub-Treasury at Hosdurga or for the Sub-Taluk being made into a Taluk.

(3) Letter No. 636, dated 3rd January 1898, from the Deputy Commissioner, Chitaldrug District, reporting that for want of a Treasury between Holalkere on one side and Chiknayakanhalli on the other, a distance of 63 miles, very great inconvenience was being experienced by traders and patels carrying remittances to Taluk Treasury, and recommending the formation of a Taluk at Hosdurga and the abolition of the Huliya Sub-Taluk, the Budihal hobli of the Sub-Taluk being added to Hosdurga.

(4) Letter No. 632—607, dated 31st January 1899, from the Deputy Commissioner, Chitaldrug District.

With reference to your docket No. 8036—Pet. 1088, dated 1st March last, regarding the proposed formation of a new taluk with head-quarters at Hosdurga, I have the honor to forward a map showing the proposed taluk and a list showing the villages that, it is proposed, should constitute that taluk.

2. A glance at the map will show that Hosdurga, a fairly large town now and rapidly rising in importance, is situated in a central position with reference to these villages. It is proposed to add to the present Hosdurga Sub-Taluk the Budihal hobli of the Huliya Sub-Taluk and the Lakkihalli hobli of the Hiriyur Taluk. In the latter hobli, communication with Hiriyur is already difficult owing to the presence of hills and jungles in the way, and the difficulty will be greatly enhanced when the Marikanave reservoir, now under construction, is completed. For the present pathways will then be submerged and men will have to make long and tedious detours. The size of the present Hiriyur Taluk is also at present unduly large and thus slicing off of the Lakkihalli hobli from it and adding it on to Hosdurga will give the taluk a relief it very much needs. The patels and shanbhogs of the Lakkihalli hobli now find it a matter of great difficulty carrying remittance to Hiriyur over uninhabited jungle tracts and they have expressed their willingness to welcome the proposed change. As regards the Budihal hobli, the Deputy Commissioner, Tunkur, a copy of whose letter is herewith submitted, is not in favor of its being added on to Hosdurga. The main argument urged against it is the inconvenience that will be caused by the abolition of the Huliya Sub-Taluk. I beg to state that it is not absolutely necessary that, in order to re-construct the Hosdurga Taluk, the Huliya Sub-Taluk should be abolished. It may remain as it is and perhaps some villages from the Chiknayakanhalli Taluk proper may be added to it to make it more compact. From a Revenue point of view, however, it is certainly more advantageous to have this Budihal hobli under Hosdurga when there is a Taluk Cutcherry and a Treasury there. For, in that case, patels and shanbhogs will have to go only 9 to 15 miles instead of 20 miles to Chiknayakanhalli. If, however, it is considered inadvisable to alter the present constitution of the Huliya Sub-Taluk, I beg very strongly to recommend that the Hosdurga Taluk be formed by the addition of the Lakkihalli hobli to it. It will then be certainly more important than the Molakalmuru or the Jagalur Taluk.

3. The petition received with your docket is herewith returned.

(5) Docket No. 3473—1134, dated 27th October 1900, from the Secretary to the Government of Mysore, General and Revenue Departments, requesting the Deputy Commissioner, to place himself in communication with the Superintendent, Mysore Revenue Survey, and the Deputy Commissioner of Tunkur and submit a further report with statistics of Revenue, population etc.

(6) Petition Registered No. 1150, dated 10th December 1900, from the shanbhogs, patels etc., of the Belagur magani of the Kadur Taluk, praying for their magani being added to the proposed Hosdurga Taluk.

(7) Petition No. 1605, dated 8th February 1901, from the shanbhogs Sivaramaiya and others of Yelanadu, praying that the Huliya Sub-Taluk be made into a taluk.

(8) Also petitions Nos. 1607 dated 7th February 1901, and 1601 dated 8th February

Proceedings of the Government of Mysore,

(9) *Letter No 800, dated 30th March 1901, from the Deputy Commissioner, Chitaldrug District, to the Secretary to the Government of Mysore, General and Revenue Departments.*

With reference to your docket No. 3474—R. 1134, dated 27th October last, I have the honor to state that the constitution of the Hosdurga Taluk on the lines suggested is the only arrangement that appears to be suitable. I send copy of letter No. 500, dated 21st January, received from the Superintendent, Mysore Revenue Survey, who concurs in my view. The Deputy Commissioner, Tumkur, however, does not consider the abolition of the Huliya Sub-Taluk advisable, more especially as a new Sub-Taluk Cutcherry has been recently built there. There is, however, no reason why the proposed new taluk should not be formed, even though this Sub-Taluk Cutcherry has been built at Huliya. That building may be used for other purposes. I hear there is no decent school-building at Huliya and the Sub-Taluk Cutcherry may be converted into a school-house, for which it is eminently suited. I beg to submit a map showing the Hosdurga Taluk as it is proposed to be formed, and a statement showing area etc., of villages to be included in it. The map is drawn to a scale of two miles to an inch, as some Taluk maps are drawn, and a glance at it will show that the proposed taluk will be a very compact one and of decent size. The kaval at the southern end may be attached to the Huliya hobli, and made to form part of the Chiknayakanhalli Taluk.

~ Copy of letter No. 500, dated 21st January 1901, from the Superintendent, Revenue Survey, to the Deputy Commissioner, Chitaldrug District.

I have the honor to acknowledge the receipt of your letter No. 681, dated 22nd December last, requesting my opinion on the subject of the conversion of the Hosdurga Sub-Taluk into a Taluk. I should have replied earlier, but delayed, as I had hopes of discussing the matter with you personally.

2. The proposed arrangement will of course entail considerable labor and expense with reference to the cancellation of Taluk maps which have been already prepared; but of course, this consideration should not be allowed to stand in the way, if the new arrangement is really necessary.

3. Both the Holalkere and the Chiknayakanhalli Taluks would be rendered more compact by the proposed arrangement. The people of the Budihal hobli naturally object to their hobli being added on to the newly proposed Hosdurga Taluk as Huliya is more convenient for them than Hosdurga, but their objections should not be allowed to stand in the way as Hosdurga would be within quite a reasonable distance. The formation of the new Hosdurga Taluk without including the Budihal hobli would not in my opinion be advisable. Huliya, of course, ceases to be a sub-taluk, and this would cause no great inconvenience excepting to some villages in the North-east corner of the Chiknayakanhalli (present Huliya Sub-Taluk). The convenience to the people of the Huliya Sub-Taluk under existing arrangements is so great that opposition from them to the proposed new arrangement must of course be expected.

4. As regards the transfer of the Lakkihalli hobli from the Hiriyur Taluk, there seem to be no two opinions. The Amildar of Hiriyur expressed to me a very strong opinion on the desirability of the transfer from Hiriyur of the hobli in question.

5. There at any rate seems to be necessity for the establishment of Sub-Treasury somewhere between Chiknayakanhalli and Holalkere.

6. All changes in taluk boundaries are extremely inconvenient in the matter of the consequent cancellation of taluk maps, but as I have already observed, this inconvenience must be considered subsidiary to really necessary territorial changes.

(10) Letter No. 894, dated 14th April 1901, from the Deputy Commissioner, Chitaldrug, stating that the Deputy Commissioner of Kadur has no objection to the transfer of the Belagur magani to the proposed Hosdurga Taluk.

(11) Further correspondence ending with docket No. 100, dated 30th July 1901, from the Deputy Commissioner, Chitaldrug.

No. R. 4868-4908—R. F. 16-1900, DATED BANGALORE, 28TH APRIL 1902.

~ ORDER THEREON.—The Sub-Taluks of Huliya and Hosdurga will be abolished and a new taluk styled the “Hosdurga Taluk” constituted with effect from 1st July 1902 and attached to the Chitaldrug District.

As shown in the detailed list appended hereto, the new taluk will consist of

(1) The present Hosdurga Sub-Taluk comprising the Hosdurga and Bagur hoblis;

(2) The Lakkenhalli hobli transferred from the Hiriyur Taluk.

Revenue, dated 28th April 1902.

(3) The Budihal hobli transferred from the Huliya Sub-Taluk (to be abolished); and

(4) The Belagur Magani, transferred from the Kadur Taluk.

The remaining two hoblis, Huliya and Yelanadu of the Huliya Sub-Taluk, will remain attached to the Chiknayakanhalli Taluk.

The Deputy Commissioner, Chitaldrug District, is requested to submit early proposals for the establishment required for the new taluk office, into which the present establishment of the Deputy Amildars of Hosdurga and Huliya should be absorbed. The Deputy Commissioner, Tumkur, is requested to report how the new building constructed for the Sub-Taluk Catcherry at Huliya may be utilized in future.

To,

H. V. Nanjundayya Esquire, M.A., M.L.
Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

With reference to his docket No. J 1028 of
the 17th Instant requesting to be informed
if the abolition of the two Sub-Taluk's Guliyar
and Hosdurg did not set free some Police
officers and men, and if so, what it is
proposed to do with them and whether there
are no savings consequent on such abolition,
I have the honor to state that the Head
Station at Guliyar is still retained with
the complement of one Jemadar and 12
Constables for the reasons explained in
detail in the Munkur Deputy Commissioner's
letter

letter No: 118 of the 6th June 1902, copy of which is herewith forwarded for information.

It is an important place in matters of crime, being surrounded by Ghat-passes commonly used by itinerant criminal gangs and villages which are less frequented and where large criminal gangs have settled whose movements have to be closely watched and it would therefore be undesirable to effect any reduction in the existing staff without endangering public safety. Of course, Gosadurga which becomes a Taluk has its own Police Establishment, with the additional men recently sanctioned to guard the Treasury.

It may not be possible to effect any reduction in the existing strength of the new Taluk: judging from its present requirements.

It may be needless for me to state that the allocation of the Police cannot be regulated according to the savings effected as is suggested in the docket under reference but it has to be so arranged as to meet the requirements of each locality according to its importance as regards crime. I request that

that under these circumstances sanction
may be accorded to the appointment of
an Inspector to the reconstituted taluk
of Hordunga as applied for.

I have the honor to be,
Sir,

Your most obedient servant.

Enclosure No.

Sir,

With reference to your letter
No: $\frac{5461}{245}$ dated the 4th instant
to the Deputy Commissioner
of Chitaldrug (copy received
with your No: $\frac{5462}{374}$) I have
the honor to state that the
present strength of the
Police Force in the existing
Sub Saluk of Huliyar
is distributed as follows:

1. Huliyar Head Station,
1 Jamadar, 1 Daffedar
and 12 men.
2. Budihal sub station
1 Daffedar and 7 men

Hulenahalli

Halehalli outpost — 2 men

3. Bellara Sub Station. 1 Duffedar & 4 men.

" Kauraganahalli Bhavi outpost — 2 men.

4. Kudre Kanave Sub Station. 1 Duffedar & 4 men.

The total allocated strength is thus
1 Jamedar, 4 Duffedars and 31 men.

2. The abolition of the Gulijar Sub Saluk from 1st July 1902 will remove from this District the villages included in the range of Budihal Sub Station as well as the outpost at Hulbunahalli along Banavar road, thereby adding to the Police strength of the newly constituted Hosdurga Saluk 1 Duffedar and 9 men.

3. The rest of the Sub Saluk with all the villages comprised in the two Hoblis of Gulijar and Gelanadu remains attached to Chiknaukanahalli Saluk of this District. The area thus absorbed in the latter Saluk will also include the villages at present served by the station at Kudre Kanave Ghat Pass, although the station building itself will stand on the outskirts of the Kaval to be transferred to Hosdurga Saluk. The importance of guarding this Ghat pass so commonly used by
itinerant

25

itinerant criminal gangs can hardly be over-rated. To bring this station therefore under closer and more effective supervision it must continue under the controlling influence of the Head Station at Haliyar.

4. The removal of the Deputy Amildars Lutcherry from Haliyar will in no way diminish the responsibilities of the Police. It will on the other hand emphasize the necessity of maintaining the strength and efficiency of the Head Station. I am consequently opposed to the abolition of the post of Jemadar. The range comprises many secluded spots and less frequented villages where large gangs of criminal classes have settled. The surveillance over the movements of these gangs can neither be withdrawn nor relaxed without endangering public safety until at any rate, they take to honest pursuits and develop settled habits. Any attempt at controlling from distant Chiknairahalli the action of the subordinate Police in Haliyar especially in respect of gang surveillance is apt to fail in its effect.

I therefore think it both advisable and necessary.

Necessary to retain the Head Station at
Huliyar with a Jamedar in charge of
the Range adding to it the Ghat station
at Matigatta and the Police outpost at
Hadapanakatte of Chiknaiknahully Taluk
in place of the secluded Budihal station
and Hulenaahalli Out-post.

5. The strength of the constabulary actually
attached to Head Station is only 10 as 20
men have been specially employed in guarding
Huliyar Town. I propose to take two men
again from this Head Station to convert
the Talari Ukkad at Chendrabhavi in
the border of Madakshira and Maddagiri
into a Police Outpost as it has been found
difficult to secure the services of competent
and reliable men to man the Ukkad there.
If this proposal meets with your approval
I would recommend the transfer of the
sanctioned establishment of this Ukkad
to the Ukkad that has to be newly opened
in the interests of the safety of traffic
between Goribidanur and Baichapur. At
present a temporary Talari Ukkad has been
locally established near Masapur within

The

the boundary of Kortagera sub Taluk but
this arrangement does not work well as
the men get no pay.

6. On receipt of your sanction to the foregoing
proposals I will arrange to transfer the
establishment of Buidihal Station and
Hullenahalli Ukad to the newly constituted
Taluk of Hosadurga with effect from 1st
July 1902.

I have the honor to be,
Sir,

your most obedient servant.
